

NAVY-MARINE CORPS MEMORIAL STADIUM SUITE RENTAL

Suites at Navy-Marine Corps Memorial Stadium are available for rent for Commissioning Day. All catering for such rentals must be arranged through the USNA Athletic Association preferred caterer, The Main Ingredient.

The procedure for rentals becoming available is as follows:

Those parties who hold contracts for suites have first right of refusal after notification of the schedule of activities to be held at the stadium. This will occur by early February, after which the number of suites available for rent for the upcoming May graduation is established.

Those who have placed their names on a waiting list are contacted in order, to determine their continued interest in a rental. There is no obligation to rent.

The waiting list is currently available for dates up through the Class of 2015's graduation.

To place your name on the waiting list, please contact Kris Whitacre Morgenthaler at whitacre@usna.edu.
